It can be very daunting if your child has been given a diagnosis of autism, become part of our group and meet with other people all going through the same fears, problems & experiences you are. We can help each other that includes nan's, grandad's & siblings too

There will be training and information sessions which range from "**Communicating with your child**" to "**Coping with meltdowns**" Listen to other people's experiences dealing with nurseries, schools and speech & language groups to name a few

We meet every Tuesday evening 7pm - 9pm
